

National Palliative Care Program (NPCP)

Palliative Care is required in the terminal cases of Cancer, AIDS etc. It improves the quality of life of patients by providing pain and symptom relief.

Palliative Care Centers are enrolling the patients under PM-JAY and SEHAT scheme for providing free necessary treatment.

Ten Beds have been dedicated for Palliative Care Services at **Govt. Hospital Gandhi Nagar** Jammu headed by **Dr. Rohit Lahori** (Medical Officer) Interventional Pain and Palliative Care Specialist
