

Diplomate of National Board (DNB) Courses, National Board of Medical Examiners (NBMES)

National Board of Medical Examiners (NBMES) established by Govt. of India for improving the quality of medical education by establishing high and uniform standards of post graduate examinations. NBMES conducts examination on All India basis leading to the award of DNB degree to candidates. DNB Courses in **District hospitals of Jammu division** were initiated in 2019-20 and after fulfilling the guidelines, accreditation was granted by NBEMS Delhi for DNB courses in various specialties in district hospitals of Jammu division.
